Our auction venue

The Chartered Institute of Public Finance and Accountancy is one of the oldest professional accounting bodies. The institute has its origins in local government and was founded in 1885. Its members are principally financial officials in local and public authorities. CIPFA has occupied the Adam House at 3 Robert Street since 1985 and has carried out an extensive programme of restoration. A. H. Baldwin and Sons Ltd. occupied various rooms in the house from around 1920 until 1963, with the Ballroom, now the Council Chamber, as the main coin room.

Our logo

A. H. Baldwin and Sons Ltd., founded in 1872, has had premises in The Adelphi since the 1920's and since 1970 at 11 Adelphi Terrace. The original terrace was demolished in 1936. The drawing is derived from part of Robert Adam's original plans for his Royal Terrace, and depicts the house at the West end of the Terrace at the corner of Robert Street.

THE CRANWORTH HOARD
deposited c.1545

Found in the garden of a very old Norfolk farmhouse in 1996, this hoard comprised 290 groats and a halfgroat. Four of the groats were of Henry VII and the others of Henry VIII, six from the first coinage, 263 and the halfgroat from the second and the remaining seventeen from the third coinage. The latest of these bore the second bust which prompts the conclusion that the hoard was deposited early in the period of debasement, its owner preferring to keep good silver for the future rather than exchange it for inferior currency.

The hoard, face value £4-16s-10d, was found in a contemporary Rhineland pot of a style attributed to Raeren which has been acquired by The Castle Museum, Norwich. A tiny fragment of cloth was also found and a larger piece adheres to one of the coins (see lot 350). It would therefore seem that some, if not all of the coins were in a (long since rotted) bag within the pot. The quality of the coins offered is generally fine to very fine although some are damaged or have deposits of verdigris.

Twenty-two of the groats of Henry VIII have been acquired by The British Museum, one from the first coinage, four from the second and all seventeen from the third coinage. One of the twenty-two is scratched with the figure "60", possibly significant since sixty groats equalled one pound.

Finally, it should be mentioned that the lys mark was used at different times during the second coinage and the coins are listed in accordance with "English Hammered Coinage", vol.2, 3rd edition, 1991 by J.J.North.

Its calligraphy is also less regular, which suggests it may have been struck earlier than Miles' coin.

While the Fatimids and earlier dynasties regularly named the principal mint in Egypt Misr, the Ayyubids employed it on only three occasions: a Dinar of al-Nasir Yusuf I dated 573 and, at the time of the change from Kufi to Naskhi calligraphy, it is found on Dinars of al-Kamil dated 623 and 624 h.

This coin lacks the name of a caliph. In 334 h., when the Caliph al-Mustakfi was succeeded by the Buwayhid puppet al-Muti', the Samanids refused to recognise his authority, and continued to place his predecessor's name on the coinage until 343 h. 'Abd al-Malik probably realised that he would never receive a patent of investiture from the Caliph unless he recognised al-Muti'. This coin reveals the process of change - the removal of al-Mustakfi's name before 'Abd al-Malik received the investiture from al-Muti' and included the Caliph's name on the coinage.

The Matbū'kabir was struck in Madrid 1201H during the reign of Charles III. The original order placed by Muhammed III was for the coin to bear the mintname of Marrakesh. Inexplicably the Spanish Government stuck the coins with the mint name Madrid. For this reason the coins were refused by the Moroccans, and the Madrid mint was obliged to melt the coins already struck. Only a very few examples have survived.

CONDITIONS OF SALE

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute the auctioneer shall have absolute discretion to determine the dispute and the disputed lot may well be re-offered for sale.

2. The auctioneer will have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw any lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer. The auctioneer has the right to refuse any bid or bids.

3. All lots are offered for sale subject to any reserve price that may be imposed by the seller.

4. All lots are subject to a "BUYER'S PREMIUM" of 11.75% inclusive of V.A.T., payable by all buyers.

5. Bidding commissions for anyone unable to attend the auction in person will be carried out by Baldwin's Auctions Ltd. without any additional charge. Bids must be in writing and be received at least 24 hours before the sale. "Buy" commissions will not be accepted. Baldwin's Auctions Ltd. shall not be liable for errors or omissions in executing any bidding commissions. We cannot guarantee to execute written bids received less than 24 hours before the commencement of the sale. If two absentee bidders bid identical sums for the same lot, the first bid received shall take precedence.

6. The buyer of any lot shall, if requested, immediately notify his name and address to the auctioneer and if required,

(a) provide bank/or other credit references;

(b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.

7. (a) Lots are sold as shown with all faults, imperfections and errors of description and lack of authenticity. Neither Baldwin's Auctions Ltd. nor the vendor shall give any warranty to any buyer in respect of any lot or be liable for any fault or error of description or lack of genuineness or authenticity of any lot. All statements as to items sold, whether made in catalogues, during the course of the auction or otherwise, are statements of opinion only and are not and shall not be taken to be statements or representations of fact. Baldwin's Auctions Ltd. reserve the right in forming their opinion to consult and rely upon any expert or authority considered by them to be reliable.

(b) Notwithstanding the foregoing, if any lot, other than a miscellaneous item not individually described in the catalogue, should be proved by the buyer to be not genuine or authentic, or to have been wrongly described in any material respect, the buyer may reject the same provided that he shall have given notice of his intention so to do and shall have returned the same to Baldwin's Auctions Ltd. within seven days from, and in the same condition as at, the date of sale. The onus of proving a lot to be not genuine or authentic or to have been so wrongly described shall lie with the buyer. Proof of the inability of any recognised expert or authority to express a definite opinion shall not dis-charge such onus. If the buyer shall discharge such onus, the auctioneers shall rescind the sale and repay to the buyer the price paid by him. Save as provided herein, Baldwin's Auctions Ltd. shall not under any circumstances whatsoever be liable for any costs, expenses or damages (whether direct, indirect, special or consequential) incurred by the buyer in respect of any lot, whether or not as a result of any fault, imperfection, error or description or lack of genuineness or authenticity, including but not limited to loss of any kind of profit whatsoever.

8. Save as provided in the preceding paragraph of these conditions buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. Baldwin's Auctions Ltd. cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneers' premises.

9. Baldwin's Auctions Ltd. act solely as agents and shall not be responsible for any default by either the buyer or seller or for any action or claim which may arise in respect of any lot.

10. Each lot shall be held at the buyer's risk from the fall of the hammer. The lot or lots shall be removed by the buyer within seven working days after the date of the sale. Baldwin's Auctions Ltd. reserve the right to charge storage and to resell by auction or privately, without notice to the buyer, any lots not so removed.

11. Any part of the purchase price left outstanding after the auction pursuant to Condition 5 shall be paid in full within thirty days of the date of the auction. Without prejudice to any other rights, Baldwin's Auctions Ltd. reserve the right to charge interest on any overdue payment at the rate of three per cent per month. Seven working days' notice must be allowed for clearance of personal cheques before delivery can be made unless prior arrangements have been made with Baldwin's Auctions Ltd. A 4% surcharge will be applied to credit card payments.

12. Buyers accepting commissions from third parties do so at their own risk and will remain responsible to Baldwin's Auctions Ltd. for full settlement according to these conditions.

13. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.

14. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of Baldwin's Auctions Ltd. be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneers' expenses and commission in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained on the first sale.

15. A variation of these Conditions shall only be binding on Baldwin's Auctions Ltd. and the vendor if it is made in writing and signed by a duly authorised representative of Baldwin's Auctions Ltd.

16. These Conditions shall take effect and be construed in accordance with the provisions of English law.
